1 Introduction

There is a theory which states that if ever anyone discovers exactly what the Universe is for and why it is here, it will instantly disappear and be replaced by something even more bizarre and inexplicable. There is another theory which states that this has already happened.

1.1 Subsection

This is a subsection. You can see in Figure 1 K Means are annoying.

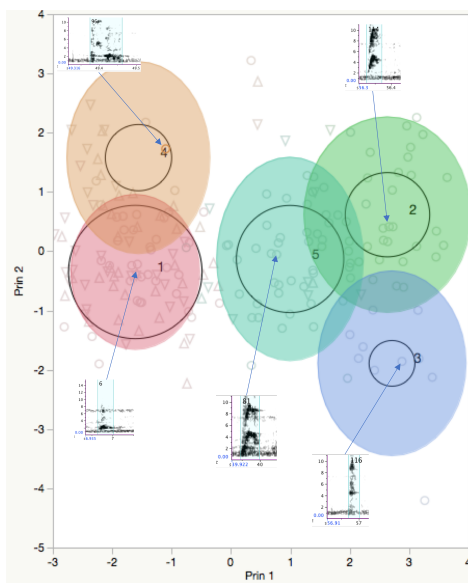

Figure 1: K Means Example

2 Conclusion

“Green-rumped Parrotlets are cool.” [1]
